

# Workshop on macromolecules, colloid and interface science

UiO, Oslo 2-3 April 2020

**Program:** The workshop starts with lunch at 12.00 on April 2nd and continue with scientific presentations and discussions till 16.00 on April 3rd. The workshop funded by Norwegian Chemical Society (NKS-Makro) is followed by a Norwegian – German workshop funded by DNSZ and aiming at strengthening the collaboration between researchers at Christian-Albrechts-Universität zu Kiel (CAU) and Norwegian Universities.

**Topics:** Polymers in solutions and gels, functional materials, biomaterials, colloids and surfaces.
